Dear Praying Friends,

What a joy it is to share with you in each prayer letter what God is doing throughout Africa because of your prayers and support! In my last letter, I told of what God has accomplished through the African pastors we worked with in Kenya. This month, I would like to give God praise for what He has done through our 118 missionaries who serve in 23 nations in Africa. To the Lord's glory, over 12,000 professions of faith have been reported by our missionaries and national ministries across the continent! Nine new churches were established (pictured at right is the newly finished church building of missionary Lawrence Lantz in Uganda), and nearly four hundred students are enrolled in Bible colleges and institutes, studying for the ministry (pictured at right are the students in the Bible college of missionary Bob Mach in Côte d'Ivoire)! It is exciting to see God working through the faithful labor of our missionaries!

Thank you to those who are praying to see how the Lord will provide for church buildings in Kenya. We are grateful to those who have contributed so far and trust God will meet this need in His way.

Over the past couple of months, I have been blessed to preach in multiple mission conferences and teach in Bible colleges here in the States. It is encouraging to see God calling quality young people into His service!

We would covet your prayers as I travel to Africa this next month. I will be in Uganda, Madagascar, and Kenya, with stopovers in a couple of other countries. Pray for safety. Pray that God would use me as I give out the Gospel and seek to be a help and blessing to our missionaries and national ministries in those countries. What a privilege it is to serve the Lord! This is our generation; we must do all we can to reach them while there is time!

Until all nations hear,

Eric Bohman
