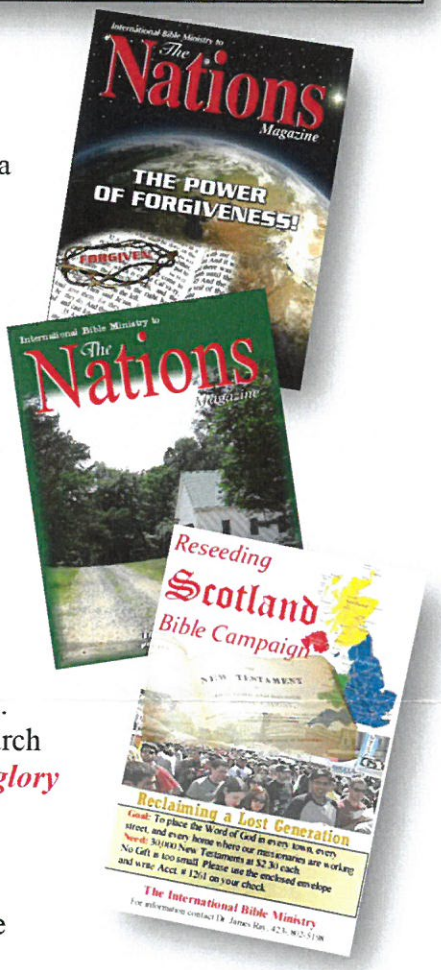
My Dear Friends:

Words cannot express to you how much your friendship means to Mary and me. You have faithfully stood with us in the greatest work on earth—reaching people for the Kingdom of God. Each year in January, I like to give a brief summary of our work for **the previous twelve months**.

- Promoted the 100 Nations Ministry and International Bible Ministry
- Led mission meetings and represented missions in 28 churches across America
- Spoke at a British Baptist Fellowship meeting in Wales
- Served as editor for *Nations Magazine*
- Taught new missionary candidates in Candidate School
- Led mission conferences with thousands of dollars promised for missions
- Organized and promoted the ***Reseeding Scotland Campaign***
- Led in raising funds for Bible distribution in Scotland
- Met with missionaries in Scotland and Wales
- Saw decisions for salvation, service, and commitment
- Served on the Executive Board of BIMI
- Presented the Gospel to 325 homes with personal visitation
- Mary spoke in ladies' meetings and taught a ladies' seminar.
- Mary taught new candidates in Candidate School.



Our churches and friends have stood with us faithfully. Your support for our personal ministry means so much. We cannot thank God enough for our friends. Mary and I pray for each of you and your needs. Paul said to his supporting church at Philippi: ***But my God shall supply all your need according to his riches in glory by Christ Jesus*** (Philippians 4:19).

We have **some scattered Sundays free** if you would like for us to come by and present the 100 Nations and International Bible Ministries and perhaps show the special presentation for these ministries. Contact information is below. Again, thank you for helping us and praying for us. *We thank God for you.*

For the Harvest,

James and Mary Ray
