May & June 2020 Prayer Letter... **MISSIONARIES TO INDIA** 6-30-2020

Proverbs 28:1 tell us, ***"the righteous are bold as a lion."*** We live in days of uncertainty and insecurity but I rejoice to know that our Lord certainly reigns and our salvation is secure. While fears abound in this chaotic time we can stand firm upon our foundation of faith and be sure that Christ has redeemed us and is returning to receive us unto himself. What a reason of hope we have to boldly share with a lost world! We are excited to report that since our last prayer letter we have traveled a couple thousand miles through Mississippi, TN, and GA. It has been a joy to update our supporting churches and share with new churches about God's work in India!

Things are slowly reopening in India while still remaining extremely constricted as C19 cases continue to rise rapidly. I spoke to one of our friends who explained that many of their neighbors have now contracted the virus. We do not take this lightly and daily pray on behalf of India concerning the spread of this disease. Please join us in prayer that the Lord will preserve these precious souls as we desire to return and share with them the good news of the Gospel. There is a high probability that most of these precious souls which pass into eternity will open their eyes being in torment, separated from our heavenly Father. We rejoice to date that all of our friends, neighbors, and fellow believers maintain a clean bill of health!

In June a young man name Skyler came forward after the message to receive Christ as his personal savior! We praise the Lord as he begins his Christian life with a faithful church family that will teach him the truths of God's word. Pray for Zach, a young man I met in Tennessee. As I shared the Gospel with him he politely informed me he was an atheist. He told me that he was my age, came from a Christian home, was married, and had several children. My heart was broken as I watched his precious little children peaking through the windows at me and their Daddy as we conversed about Christ. I knew they had probably never been to church, had never heard the gospel, and would grow up in a home without Christ and the Word. After talking for close to forty five minutes Zach said he would like to meet some of the men at the church to hear more about our faith according to the Bible. This young man is a great example that within the shadow of many churches are lost souls who are empty, broken, with no hope after death.

Please know that we continue to pray for all the church families and individuals that prayerfully and financially support us. It is our desire to serve and be a blessing to you. If there is any way we can be a help or give an update you can reach us at the following:
