October 2018

Dear Pastor and Friends,

Wowwww!!! It was like Christmas in October receiving those boxes. What a blessing. There were some preachers with me at the moment we received the boxes, and they helped us to open and divide the articles that were in them. When we started to give out to the different people in need, it was such a great moment. Many of the women were in tears as they gave thanks to God for answering their prayers.

The men with eyes watery also praised God saying, "Thank you, Lord, for not forgetting us. We are not alone; thank you, thank you, thank you." This was a great encouragement to all, and it blessed our hearts to see the joy that they felt.

Thank you so much for allowing God to use you to bless others that are in such need. What you have done has touched very deeply the hearts of the people. They enjoyed not only the food and clothes, but the many goodies that you sent.

One couple that we gave some clothes, food and shoes to the man said, showing me his shoes all broken and with holes, "I was praying to God to help me and I was even thinking I would have to leave the country to be able to get the necessary items for my family and me. Here God sent me just what I needed," and he showed me how the shoes were a perfect size for him. They hugged me and we prayed together and cried together in thanks to God for how He is using you in such a mighty way.

This past Sunday I was preaching in one of the churches we have started and seeing all the children eating after the service with their eyes telling me thank you this is goooooood!

One of the greatest needs are laptops or cellphones for the pastors and their works. From the bottom of our hearts, one more time, Thank you, thank you, thank you.
