

The Au Family

Missionaries to Hong Kong, China

Dear Pastor and Praying Friends,

The ministry of Ka Fuk and Liberty Baptist Church continues to move forward. We are thankful for the good attendance and new visitors that come our way the past month, especially when our members are trying harder to invite people in.

Mrs. Lum, a mother of three, met an elderly woman while grocery shopping and invited her to church. This woman was a Christian herself and was returning from Canada. She expressed interest in the church and plans on returning with family.

For our children's church, we emphasized the importance of sharing the gospel and gave the children gospel coins for them to give to their unsaved family, friends, and neighbors. All the children were active in giving out the coins and many were passed out.

Our daughter, Angela, felt burdened to give out a gospel coin to a security guard. This guard was so impressed with Angela's boldness that she gave her a gift of a small key chain. Please pray with us that this burden of giving out the gospel will continue to grow in all of our church people, even the children.

The Lo Family

Please be in prayer for the Lo Family. Vincent and his wife, Emily, got saved about a year ago and have been faithful attendees. Two weeks ago, Vincent's mother had a sudden heart attack. Praise God, she was a believer and has gone on to glory. Please pray for strength for this family as they plan for the funeral, as well as peace, knowing their loved one is with our Lord.

Please pray for the following:

Political situation in Hong Kong: there's a divide with young adults/college students and adults/older generation in homes and even in the church. The youths are frustrated with the lack of opportunities for their future and want universal suffrage, while the adults just want stability and things back to how they were. Pray for us for wisdom in dealing with this sensitive issue.

Spiritual growth among believers

Churches to be self-supporting and men to be called into the ministry

God's power for the ministry and souls to be reached
