

The Au Family

in Hong Kong

Dear Pastor and Praying Friends,

Praise the Lord for what He has been doing in Hong Kong since our last update! God has truly been working and has blessed in our attendance in both ministries. In the morning service this past Sunday, **Ka Fuk**

Baptist Church had an attendance of 91; this is the highest for a regular service (not including special events)! In the afternoon, Liberty Baptist Church is also doing well and growing. Many are active in serving and bringing visitors. We are thankful that both church families are growing steadily with more members, regular attendees, and new visitors. Christian. But this is actually not uncommon in the Chinese culture, to take it slow and to make sure they fully understand what is being taught. **Thank you so much for your support that allows us to serve.
Please continue to pray for us.**
