"To preach the gospel in the regions beyond you" II Corinthians 10:16

Dear Pastor and Praying Friends,

### Gospel Camp

Every year in the fall, both Ka Fuk and Liberty Baptist Church organize a day camp with an emphasis for our members to reach out to their unsaved friends and be challenged in the area of missions. We are thankful that both day camps were a success. **We had 150 people attend and over 40 of them were first time visitors.** Many of them heard the Gospel message for the first time! Although we did not see salvations right away, we know much of the fruit will come when we follow up with them. **Please pray with us that souls will be saved and that our church members will remember the messages and continue to reach out to the community.**

### Political Situation

Many of you may have seen news reports about the protests (Occupy Central or Umbrella Revolution) that have been going on here in Hong Kong. The people desire the freedom to vote for their next Chief Executive (mayor), which was promised by the Chinese government when Hong Kong was returned back to China in 1997. However, it appears that the government is reneging on that promise, saying citizens can vote only for people that are pre-approved by Beijing. The Hong Kongers are afraid that if they do not stand up to them now, more freedoms will be taken away little by little. **Please pray for Hong Kong during this tumultuous time. Pray that the freedoms we enjoy, especially the freedom to preach and teach God's Word, will remain. Pray for a peaceful ending to these protests, for souls to turn to God during this time of uncertainty, and for us to have wisdom to minister.**

### Please pray for the following:

- Souls to be saved, especially as we follow up on visitors
- Political situation in Hong Kong
- Spiritual growth and obedience to the Lord, we have some adults that need to be baptized
- Wisdom and God's power for the ministry

Thank you for your faithful prayers and support our on behalf. We count it a privilege to be partners in reaching the people of Hong Kong for Christ.

*In Christ,
