

Dear Friends,

March 21,2019

Thank you for taking the time to read this letter. It is our desire to communicate with you what it is that God is doing in and through us and how you can join with us through prayer ...“that ye strive together with me in your prayers to God for me;” Romans 15:30.

When God invited us to join Him in the work that He is doing among the US Military through BIMl, we were humbled, honored and excited. It is a daily walk of faith in Him as we follow his leadership in this new chapter. That walk has already taken us beyond what we thought possible. It has shown us that “with God all things are possible”, Mark 10:27. For example, we have been in 22 churches in the last 10 weeks, 7 of those churches were in foreign countries. Impossible? Not with God. We have traveled thousands of miles in 5 states and 3 foreign countries. We haven’t been “home” much but we have been in the homes of strangers and felt at home. Impossible? Not with God.

It was our joy to travel to Japan for the month of February to connect with BIMl missionaries who have moved their families to that country in order to minister to our service men and women. We were able to see their ministries, connect with their families and learn their needs. Bryan was able to preach in their churches and the Lord ministered to the hearts of people from many different nationalities and branches of service. Soldiers, Airmen, Sailors, Marines and Coast Guardsmen each with a soul and with a need for a saving knowledge of Christ. Others, who are Christians already, with a need for a church family, a place to grow, a place to worship, a place to serve Christ. We were blessed to see military folks receive the Word of God in printed form, to see others bow their heads and hearts in prayer, to watch families kneel at the altar and trust Him with their lives and futures. Impossible? Not with God.

We are looking forward to a similar trip to Europe next month. We will be preaching in churches in Germany as well as participating in the 2019 Field Conference. It is during this conference that Military missionaries serving with BIMl converge in one location to report and to be refreshed. We are looking forward to seeing the God of the impossible do the impossible in our lives and in the lives of those we meet.

Thank you to our growing list of supporters for your prayers and financial gifts that play such a vital part in all of this. We are grateful beyond words!

Serving those who serve at home and abroad,
Bryan and Kris Baggett
