BEACON REPRESENTATIVE

Dear Partner in Publishing,

"The grass withereth, the flower fadeth; but the word of God shall stand forever." (Isaiah 40:8) I'm thankful that God's Word is eternal, and His promises are sure, enduring, imperishable, and give hope to the believer. Our pursuit to publish and provide God's Word in the languages of the people is continually upon our hearts. And we are very thankful for your prayers and support to help us get out the precious Word of God to the people of the world.

The new year has proved to be a busy one for our team of workers. They are dedicated to the task of getting out God's Word and make great sacrifice to accomplish its printing and distribution. They do a great job and are deserving of your prayers and financial support. Praise the Lord for their dedicated service.

We started the new year with a 2 ½ day of staff planning sessions to lay out the ground work for our printing ministry. We have a number of projects before us and it was necessary to decide the order of production. Here is the approach we are following:

- (1) **Burmese New Testaments:** This has been an ongoing project for our ministry over the last few years. In January, we added to the total amount we have printed for the Burmese people by another 10,000 copies. That raised our production of this New Testament to 160,000. We praise the Lord for the privilege to provide these New Testaments for the people of Burma.
- (2) **Spanish New Testaments:** In January, we also printed 10,000 copies of the Spanish New Testaments that will be going to Honduras and other Spanish speaking countries. The need is great, and many requests come in for the New Testaments on a regular basis. Please pray with us that God would enable us to keep on printing the Spanish New Testaments and be able to fill every request we receive.
- (3) **English Romans booklets:** We are doing a large project for Kenya, Africa, this year that will include 350,000 English Romans booklets and 350,000 Swahili Romans booklets. This project is underway, and we are praying we will be able to ship the container by the end of this year.
- (4) **The Bindery Department:** We are busy, busy, busy collating and binding the New Testaments for Burma and Honduras. It is always exciting to see the finished product completed, boxed, and ready to go to the mission field. It is a wonderful privilege that God has given us to produce His Word.
- (5) **Scripture Assembly Team:** The Scripture Assembly team has been busy completing four assemblies in January. They have completed another 112,000 Romans booklets that will go to the Dominican Republic in April. This will be the second container we have sent them. Please join us in prayer for a rich harvest of souls for the Saviour.
- (6) **Tract Month:** Each year we promote a campaign for churches to get involved in distributing Gospel tracts in their community. The number of churches that take the challenge is growing each year and we are excited for the number of people that are being reached through this campaign. We print 5 Gospel tracts, one for each week of the campaign, and encourage massive distribution of the Gospel. We have special pricing for these tracts which makes it very easy for churches to get involved. Call the office for more details on how your church can get involved in the challenge.

We appreciate your prayers and financial support that enable us to reach out to the world with the Word of God. We love you and pray God will greatly bless you as we labor together.

Because of Calvary,
Dan Hummel, Director
