**Glory to God the Father, the Son and the Holy Spirit! The Lord has saved two teenage boys, two adult ladies and two men in the past few weeks since we have been here in the Spanish ministry in Walkertown, North Carolina.** We have had three other adults follow the Lord in believer's baptism and have two more for this coming Sunday.

It has been amazing to see the Holy Spirit working, using the witness of the members of the Iglesia Bautista Luz del Evangelio and the preaching of God's Word. Last evening I was asked to witness one-on-one to a man who wanted to be saved. How thrilling to see him bow and trust Christ as his personal Savior. **Thank you for your faithful prayers and support. Thank God with us for His marvelous working in the hearts of these people.**

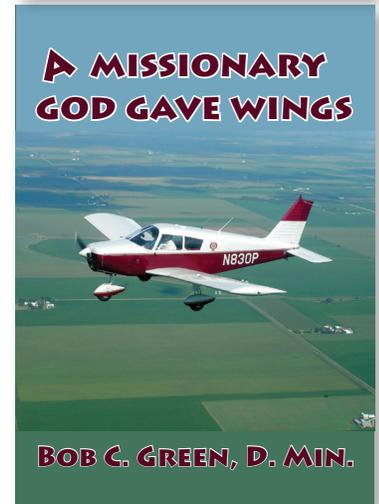

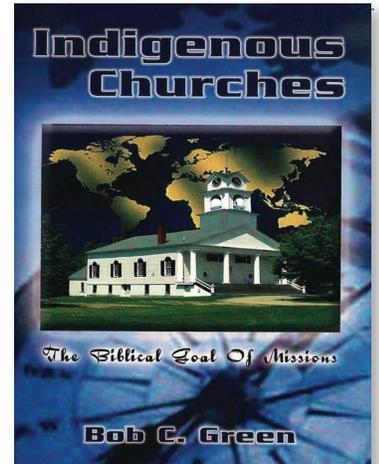

In addition to these tremendous blessings we have, with God's given wisdom and discernment, been able to identify several matters that needed, and need, God's intervention if the ministry is to move forward. With God's blessing I have felt like Titus as he was sent to Crete by Paul to work on some issues there. The Lord is sending healing and encouragement after the passing of Brother Johnson, but we encountered some matters that require attention. The Lord helped us identify a small group of folk, though good people in the Lord, who believe they would be more satisfied if they could lead the ministry to separate from Gospel Light. I repeat they are people who love the Lord, but neither Gospel Light Baptist Church (GLBC) nor the majority of the folk in the Hispanic ministry want the ministry to separate from GLBC. This idea has been a point of contention, and though this small group may need to go independent of GLBC and the Hispanic ministry, it may need to happen for the ministry to move forward. **Please make this a matter of definite prayer as Patsy and I continue with this transition period for a few more weeks.**

**Forty-six years ago Patsy, Susan (three at the time) and I moved to San Miguel in El Salvador with the purpose of starting and establishing a new fundamental Baptist church. This past week, under the direction of Pastors Roberto Nieto and Tony Rivera the church celebrated its 46th anniversary.** BIMI missionary Matt Goines, preached the anniversary services. What a thrill to know that from the day Jose Bonilla, the first convert came to the Lord, until now when they have about 700 in attendance, the Lord and His Word have been honored. The Lord has done a marvelous work in that city with many hundreds being saved through the years.

Please know we appreciate you and thank God for you. Rejoice with us and **PRAY.**

Your missionaries,

Bob and Patsy Green
