Dear Friends in Christ:

The past few weeks have been very busy ones as we have continued actively and aggressively to get His Gospel to lost folk. We are grateful to you, for your prayers and your support of the ministry. **THANK YOU FROM OUR HEARTS!**

The Lord blessed our trip to Florida to assist George and Kathy Smith of the Bethel Baptist Church and also David Ramirez and his family of the Liberty Baptist Church, both of Fort Pierce. Though we did not have anyone trust Christ during our time there we did sow a lot of Gospel seed. We met the Smiths' Hispanic neighbors and appreciated being able to visit each of the eight to ten families along with George and David Ramirez. We continue to pray for God to use the witness they have received from George and Kathy and us. **PLEASE PRAY FOR SOULS TO BE SAVED. Also, pray for some or many of them to become involved at Bethel or Liberty.**

We are truly blessed to be associated with and supported by Liberty Baptist under Dr. Wallace Cooley's leadership and Bethel Baptist under Pastor Ken Norman's leadership.

We also enjoyed a little time with Pastor and Mrs. Anthony Aiken of Bible Baptist Church. Lord willing we will be with them for their Missions Conference the last weekend of October. We are so grateful God brought them to minister at Bible Baptist.

As we were on our way to be in the Missions Conference of Calvary Baptist Church in Sanford, Maine, where Dr. Todd Bell is the missionary founder and pastor, we received word that my brother Ray Green of Chipley, Florida, had passed away. We returned to Chattanooga and then drove to Chipley to be in the funeral on Tuesday evening the 9th. Ray was 71 and served in the US Army in Vietnam. He retired after 25 years as a wildlife officer with the Florida Freshwater Game Commission. He was saved as a young man in a service where I had preached, and was a member recently of the Berean Baptist Church in Chipley where Pastor Paul Hill serves. He had been sick for a number of years and was faithfully cared for by Ilene, his wife of 52 years. They have two daughters and a number of grandchildren. Though only the

Lord and the individual know for sure, but a middle aged **man prayed during the invitation at the end of the funeral service to trust Christ as Saviour.** May that be so for his good and Christ's glory...and to Ray's satisfaction.

We left Chipley after the service and drove until about 3:00 a.m. Wednesday morning so we could stay ahead of Hurricane Michael. The Lord was gracious to us and after a day of pulling ourselves together physically and otherwise, we headed to Indiana for our grandson's wedding. Joshua and Gabby were married on the 13th. We thoroughly enjoyed the time with family. At the wedding site I met and talked with a believer named Buchelt. He is witnessing to his work acquaintances as the Lord allows. **Pray for him.**

On Friday the 12th I was able to fellowship with church-planter Dr. Todd Bell and Major Jennifer-Ruth Green of Hyles-Anderson and MissionAero Pipeline. I met the 20 plus school students that are a part of the MissionAero Pipeline program at City Baptist, heard Missionary Bell preach twice and then also accompanied him and Jennifer-Ruth to the chapel service at H/A. The Lord used him in a mighty way to speak to hearts. HE is also using Major Green as she serves and leads in several capacities there. **Pray for Dr. Douglas**, the President of Hyles Anderson as he had a serious heart attack.

Please keep us in your prayers as we continue to serve the Lord in the Hispanic Ministries and as Aviation Director with BIML. We pray to see the Hispanic neighbors of the Smiths as we are in Ft. Pierce again in a few days. The Smiths are also mentoring several young adults in a Friday night home Bible study. We thank God for what HE is doing in lives in so many places. Also, **please pray for the folk who are still without power and many vital resources after the passing of Hurricane Michael.**

THANK YOU AGAIN FOR PRAYING AND SUPPORTING OUR MINISTRY.

Your Missionaries,

Bob & Patsy Green
