*January 2019*

*Dear Prayer Partners,*

*Thank you for praying for us. The last few months have been full of blessings and challenges.*

*All our family was able to come for Thanksgiving, plus a few friends. That was a rare event, and a lot of fun.*

*The Bible school in Wau graduated five families who have gone out to preach the gospel in their home areas.*

*Our Perspectives mission course finished up about the same time. Two Chinese students were saved and baptized as a result of that class. Pray for those two ladies because they will soon be returning to China and certain persecution.*

*I just ordered another 16,000 Chick tracts to be shipped to the Bible school in Wau.*

*Mary has been in a wheel chair since about Thanksgiving and has to be primed to start her eating at times. My daughter Lori has started to come help full time. Care giving has been an adventure and has brought us into contact with lots of people who need the Lord.*

*Shalom,*
