**FINALLY!** After years of waiting, the Kokura Bible Baptist Church has finally accumulated the funds necessary to purchase property! We are looking for property that includes a building that we could use for services. Already we have gone to look at two sites, but the location of one site was not good and the building on the other site was too small. Please join us in praying specifically for a corner lot in a good location with an adequate building.

**BUSY MONTH** This month I spoke twice at the Okinawa Bible Baptist Church and once at the Lighthouse Baptist Church in Sasebo. Please pray for the Okinawa church. The founding pastor, Brother Saitoh, went home to be with the Lord last summer, and the new pastor, Brother Ishikawa, suffered a stroke last month. He is currently undergoing treatment, and although he has improved greatly, he is still unable to return to work.

**PRAISE** Pastor Yoshizawa reported the salvation of two souls at the Amagi Bible Baptist Church.

**PRAYER REQUESTS** 1-The Kokura church plans to begin a new youth ministry and a new children's ministry. Please pray for God's blessings on these new endeavors. 2-Please pray for the salvation of a young man named Katayama/

**FAMILY UPDATE** Lately there have been several inquiries about my family. Tim and Yayoi live in Kagoshima in the southern part of this island. They have two children, Nina and Noah. Becky and Matt live in the Tampa area. They have two girls, Regan and Riley. Regan is a student at Christ for the Nations in the Dallas area. Merri and Mitch live in Raleigh. They have one son, Nathan, who will graduate from high school this year and join the Marines. Tabitha and Tim have two sons, Samuel and Josiah. They live in the Charlotte area. One of my greatest joys is the fact that all my children attend church faithfully and participate in various ministries.

Thank you for the support of \$100 in November and \$100 in December.
