

THE BOHMAN FAMILY

AFRICA FIELD DIRECTOR

November 2018

Dear Praying Friends,

“Now thanks be unto God, which always causeth us to triumph in Christ...” (II Cor 2:14a) What a beautiful statement – one made by a missionary on a missionary journey! This past year, the Lord has helped us to triumph in so many ways, both in our family and in our ministry. Since our last prayer letter, we have been in many conferences here in the States as well as in Canada, spoken in two Bible colleges, been part of an ordination of one missionary, and helped two other missionaries finish deputation and leave for their fields of service. Truly, we are thankful for the “triumphs” the Lord has given us!

Another triumph is the Lord working through our family. As we do each year, we would like to update you on our family. Our oldest daughter, Erica, has been on deputation, raising her support to return to Kenya, where she grew up. She plans to work alongside our friends, Luke and Tonya Shelby, missionaries in the town of Kisii. Erica is at 60% of her support and is eager to leave for the field later next year. Deborah is in her first year of teaching at our sending church's school, Franklin Road Christian School, in Murfreesboro, TN. Heidi, who is in her second year of Bible college, and Julia, in tenth grade, teach and assist in children's ministries as we travel.

Your prayers for Lori and me are appreciated as we leave this next week for Côte d'Ivoire, West Africa, where we will conduct a field conference for all our missionaries serving in that region. We are looking forward to a great time of encouragement and fellowship and plan on ending the conference with a Thanksgiving meal for all of the missionaries.

As 2018 comes to a close, we trust that you will join us in thanking God for the triumphs He has given as we serve Him!

Attending a conference with our mentors and friends, former Africa Director, Ron and Donna Bragg

Until all nations hear,
