**Dear Brethren in Christ and Friends:**

**“And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth.” – John 1:14.**

**Merry Christmas to all of you**

**May the grace and truth of our precious Savior Jesus fill our lives to continue our journey following and serving Him in 2015.**

**Thank the Lord, we had another Missions Conference. As a church, the Lord allowed us to faithfully support our current missionaries, and for the new year our faith promise went up so we took on for support 2 more missionaries. An Ecuatorian lady Paola, going to Africa and Andres and Damaris Altamirano working with the deaf in Argentine. We thank the Lord for providing for our church family to have the privilege of supporting God’s servants in other parts of the world.**

**Pastor Michael Lanchang was our special speaker for Missions Conference. We love this precious couple who went out from our church; they serve the Lord with joy. I was invited to preach for their church anniversary. It was so good to see the people the Lord allowed us to lead to Christ when we used to go to Portoviejo on weekends to start the church. Several of them have grown in the Lord and are a great help to Pastor Michael and his family. It was great to meet new Christians added to the church.**

**3 more people were baptized in our church in Guayaquil. A few years ago we led an older deaf man Carlos to the Lord through gestures and lipreading. He had lost his hearing as an adult and learned very little Sign Language. Recently, he wanted to make sure of his decision as he was battling cancer. We went to see him, Carlos just went to be with the Lord. Thank you all for having a part in sending us to Ecuador to share the “good news” with precious people like Carlos, so he could spend eternity in heaven with our deaf Precious Savior. By the way, he is no longer deaf. Praise God.**

**Paper work for vehicles are progressing slowly. We have completed with requirements for the smaller vehicle we are waiting for response. We also brought what they asked for the bus, but they keep adding a few more requirements. Please pray.**

**Once again, we want to tell you how much we appreciate and cherish your prayers on our behalf and for the ministry here. We need God’s leading, strength, wisdom to be able to continue with the work He is allowing us to do.**

**Serving our Savior who is “full of grace and truth”**
