bringing the gospel to the deaf
in ECUADOR

August 2017

Dear Brethren in Christ and Friends:

“Not that we are sufficient of ourselves to think any thing as of ourselves; but our sufficiency is of God;” - II Corinthians 3:5. What a great truth!

As we travel on furlough, we are grateful to our Lord for His leading, protection, provision and for using us; our prayer is for the Lord to touch people to surrender for His service. We have seen good response in the lives of several young people. There is hope for America and the world when God’s people follow our wonderful Savior and serve Him, and the following generations do the same.

We also pray the Lord will use us to bring others to the knowledge of our precious Savior; He has given us the joy of leading 4 people to the Lord, so far, as we travel. The Lord makes our lives worth living; we ask Him to place a burden for people who need Jesus as Savior so He can make their lives worth living also. Praise God.

Before we left Ecuador, I challenged our people to strive hard working for the Lord; to keep on winning souls and to bring them to church. Many of our people are working hard to see souls saved. One of the deaf men we disciple, Yasmani, started going out soul winning. He led his first soul to Christ, another deaf man. What a joy for him and for us. Glory to God!!

Thank God our church back in Guayaquil keeps growing in our absence. They just had Bible Conference with good attendance. Once again, we realize it is God’s work as His people strive to obey Him. Please continue to pray for our church and the different ministries branched out from our church in other cities. A lot more needs to be done to reach many more deaf people in other cities and abroad.

Thank the Lord for missionary Joshua Poss from our home church in Missouri; he has been working with us for the last 3 years and is now taking my place while we are on furlough. Bro. Mauricio Bermeo is assisting Bro. Poss. They make a good team and are applying themselves serving our Lord. Our church in Guayaquil continues to grow. What a great blessing they are to us along with their dear families. Sonia Poss and Cynthia Bermeo are wonderful wives supporting their husbands.

Once again, thank each one of you who has a part in the work in Ecuador and beyond. Your prayers are needed every day and thank you also for giving. The deaf Christian school that we have is a great blessing to many deaf. To be able to keep it running, we need your help to make ends meet every month.

May the Lord bless and continue to use each one of you for His glory.

Serving our precious Lord and King Jesus:

Raymond, Anita and Paul
