Personally led **2 young people** to Christ while involved in various VBS' this summer

Traveling mercies during our 5 day drive from home to California

Spiritual **refreshment** and **encouragement** attending Candidate School at BIM!

Dear supporting churches and praying friends,

We've enjoyed a wonderful time of physical, mental and spiritual refreshment for a few weeks this summer spent with our loved ones as we served back at our home church while we had no scheduled meetings during this time. The Lord allowed us to serve at our home church's VBS and personally lead a young person to the Lord that week, amongst a number of other professions of faith. We are excited to be back on the road once again with a busy schedule to close off these summer months heading into the fall season!

Casting our Vision to the Next Generation

We've had the privilege of being involved in three different Vacation Bible Schools this summer. It's been an amazing opportunity to "cast the vision" not only for Indonesia, but for the need of the world to these young people ranging from kindergarten to 12th grade. One of our biggest prayers is that the Lord would use us to burden and call more young people to missions. We praise the Lord that we were also able to personally lead 2 young people to Christ this summer while serving at these Vacation Bible Schools.

Finishing Up Candidate School

Candidate School with BIM! is always something we look forward to! This is a week of spiritual refreshment, as well as a time of fellowship with other missionary and ministry friends. We also were able to spend time with our newest Team Indonesia members Brandon and Kristen Kelley, who have just recently began their deputation trail. We are thrilled to have finished up our second and last year of Candidate School.

Prayer Requests **Back on the Road**

More supporting churches & praying partners

Safety & traveling mercies on the road

Sufficient funds to be raised for Team Indonesia's new ministry centre

To reach our goal of 55% support by the end of this year

"The best cure for discouragement or qualms is another daring plunge of faith."

- C. T. Studd

We returned back on the road this August with our longest trip yet! We took 5 days to drive from our home in Toronto, Ontario to San Francisco, CA. We want to thank you for each of your prayers for our safety and protection, which are so vital especially during our long drives. We have now began a stretch of meetings and conferences here in the beautiful Bay Area of California, as well as having the chance to visit family while we are here.

As we continue on this deputation journey, we are daily learning the importance of walking by faith. The Lord has opened up so many doors for unexpected meetings and supporting churches for us during these summer months when deputation usually goes "slower" for us missionaries. He continues to show us his provision and grace during our times of worry or doubt. **Please pray with us as we aim to reach 55% support by the end of this year!** We hope it never becomes cliché when we say that we are so incredibly grateful for all of your prayers and support for our family.

In His Service,
Thomas, Kezia & Kalel Bui
