Dear Pastor and Prayer Partners,

Summer is over and fall in upon us. it's time to put the mowers away and bring out the rake. After that, it will be snow shovel time.

This summer was busy as usual. We had Jr. Camp, Youth and Young Adult Camping, Kid's Kamp (VBS), Mother and Father Days, Community Appreciation Day, along with the regular services. Our Faith Promise Missions Conference is October 5-7. We have missionaries from Germany, Mexico and Russian coming. Everyone is busy trying to get everything ready for this very important part or our church year.

I mentioned my vision problem in our last communication. The surgery on the cataract on my left eye has been completed. Now, I'm waiting for the surgeon to decide when to do my right eye. My vision is improved, but still not as good as it should be. All in all, I'm doing well for a 71 year old. Praise the Lord! Joyce got very sick from the smoke coming from the BBQ grills when we had our Community Appreciation Day. Praise the Lord, she has recuperated. Thank you for praying for our health!

In November, Joyce and I will be visiting the churches we worked with in Taiwan. This is a gift from Chinese Tabernacle Baptist Church in celebration of our 50th Wedding Anniversary. Our anniversary was in July, but Taiwan is too hot in Summer, so we decide to go in November. We are excited to have the chance to visit the people we love and worked with for so many years in Taiwan.

We are thankful to report that the seed of the Gospel is being sown, souls are being saved, people baptized, discipled, and growing in their faith. You are a part of every victory our Lord gives. Thank you so much! God richly bless you.

Yours in Christ,

Fred & Joyce
