Church Planting in Charleville-Mézières, France

May/June 2017

Dear Supporting Friends,

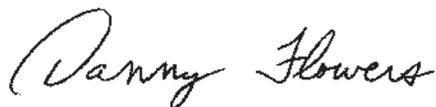

2017 is flying by for our family! God has given us opportunities to minister over the past several months, and we'd like to share a few highlights with you.

- We held special classes for men and women one Sunday morning in the spring that were very well attended. Janice had three visitors among the ladies, and the men had one. It was a great opportunity to present the Gospel in a casual setting.
- Hieke, a German lady whom we know through basketball, asked Lydia questions about God and the Bible during a recent game. She has visited the church several times this year and is searching for the truth.
- Yohan, Lincoln's basketball coach, inquired about where he could find a Bible. We jumped at the chance to provide him with one, and now he is reading in John.
- Nicole, the president of our basketball association, has visited our church three times since Christmas. She recently called me up and said she wanted me to preach at her funeral. She is Catholic in name but is starting to realize that her religion won't get her to heaven. I had the opportunity to clearly share the Gospel with her.

The French recently elected a new president, Emmanuel Macron. He is relatively new to the political scene, and it is still unknown how things may or may not change over the next years. Please pray for France. More specifically, pray for Hieke, Yohan and Nicole.

This summer will be a busy time for our family as we work at camp. Please pray for us to effectively minister to the teens and children who attend.

In Christ,

Danny & Janice Flowers
