Dear Praying Pastor and Church,

Challenging start in Fatu- Makerek

Late in 2017, we ordain Preachers to cater the need for isolated outreaches. One of those is a young People by the name of John. Immediately he went back to his village in Fatu Makerek being burdened to witness and minister to his families and relatives. As soon as the RCC leaders were alerted, the trouble erupted. The RCC accuse him of illegally starting a group without the permission of the local RCC Priest. John was not intimidated willing to bring the problem to the court, contending with them that he never committed any crime and John stand his ground. The devil is silent at the moment. Thank God, the devil is not omniscient and not omnipresent. He too can be intimidated. Please mention John in your prayers.

14 @ 14

Last Sunday 8th of April, in celebration of our 14th Church Anniversary, we purpose not to invite anybody outside of the Church members. The affair is more exclusive. The most memorable and amazing thing that happens is the baptism of 14 believers. It's spontaneous. The candidates range from age 11 to 62. I baptized 11 believers in one day in 2006 but this has been the most number of one day baptisms that ever happened since we arrive 17 years ago. We have 91 in attendance on this occasion participated by 4 outreaches.

Change of Plans

Putting up the Bible school in Dili(capital city) cuts a huge chunk of our time and take a tool on us physically. The decision is for the Bible School to bring it back to Manatuto. Please pray for the enormous need. I am very much grateful for your consistent prayers financial support.
