Dear Pastors and Praying Churches,
Kumprimentos!(greetings)

How swift time flies. Jeannifer my eldest daughter(celebrating her 17th birthday today) now a grown up lady was only 3 years old when we first landed in the missionfield. She and Abigail are now preparing to leave their adopted country for their collegiate years. She said half of her is willing to go but the other half is not. I am overwhelmed to see them loving God and faithfully serving Him alongside with us here in Timor-Leste for the last 14 years. My heartfelt gratitude for those who helped their education in prayers and financial support.

Campaign for mountain villages

Laclubar is one of the sub-district in the District of Manatuto and is considered the summer Capital of the whole Disrict because of its high elevation. It only lies 45 km south of our base. Three main villages (Seurtulan, Saka asu Fatu Makerek) is where most of our Dormitory students came from and suffered neglect due to a very rugged roads and isolated area. I am in my 2nd week of my campaign as I promised to spend one Sunday each one of them before my furlough. The 3rd week was cut short due to moonsoon rains. I sleep two nights wearing a thick jacket,thick blanket and jeans and socks, brrrrrr...I'm freezing. That was a night to remember!

Learning from experience

The recent setbacks of our previous local Church leaders lead me to think and re evaluate my methods. I believe that leaders will be the key to the evangelization of the country but equipping takes more time in its foundation to obtain a more sustainable ministry in the future. Pray that more men will answer the call for the great harvest.

Laclubar, please mention them in your prayers.

His servant and yours,
Ferdie Flores----Missionary to East Timor since 2000
