09 October 2018

**Dear Praying Partner, Pastors and Churches,
Thank you, thank you and thank you.**

Ber Months reminds us of the beginning of the end of 2018. Reminds us also of the value of the time and how short really life is. So thankful for you and to all who spent their time praying, supporting and waiting anxiously for the newsletter we are sending quarterly. I hope you are not too busy to spend time reading. I'm forever grateful and praying for our supporting Churches that most of them I never had the opportunity to visit and fellowship with personally. Thankful for the ABClearinghouse leadership and staff for being accommodating and attending our finances and helping in processing vital documents and spearheading the growth of missionary endeavor around the world. Congratulations and Happy 25th Anniversary ABC!

August Youth Camp

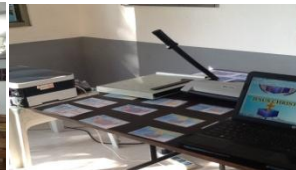

Youth is available and energetic. Camping usually falls when there is school holiday. We have 54 delegates in all and ended with several profession and one baptism. Help us pray that the Lord will call many of them to the ministry. This country is desperately in need of full time workers. Our time is running out and the whole country is gradually choked by the drastic change of modern culture.

Be intentional (Soul winning and saturation)

This is our upcoming program on soul winning. This is to be done using our localized flash cards. We bought our needed materials and equipments to produce our own version and translated our supporting verses to **Tetun language**. We need your fervent prayer upon this program that is needed to be done with urgency.
