Dear Praying Friends:

Thank you so much for your prayers. We report with great joy that God has blessed.

The total amount needed to purchase the new pickup for Roberto Nieto in San Miguel, EL Salvador, has been provided by the Lord. The largest portion came from the precious folk of Liberty Baptist Church in Ft. Pierce, Florida. Three thousand was given by some people in San Miguel. Thank you for praying.

The visits I have been making with the folk of the New Haven Baptist Church in Summerville, Georgia, have given some results. Pastor Todd Thelkeld brought in Carmelita and Carolina on the church van. **Patsy led Carolina (13) to a saving faith in the Lord this past Sunday.** We thank God for HIS goodness.

I also received word this past week that a supporting church in New Bloomsfield, Pennsylvania, is going to have my need of a hearing aid as one of their summer projects. This is a great answer to prayer. I have been noticing more lose of hearing in my left ear. I am deaf in my right ear so this is becoming a serious situation. The Lord be praised!

We also were able to get approval for Wes Burns to begin raising funds to purchase a Cessna 172 for his church planting ministry in Canada. Wes and his wife are BIMI missionaries from Canada. Wes is a Commercial and Instrument rated pilot as well as a maintenance technician (A&P) in Canada. They have a burden to reach out from Havre-Saint-Pierre up to the northern part of Quebec. In addition to evangelizing several villages they will cooperate with other BIMI missionaries that will be living beyond where the last road ends. They will be seeking to raise most of the \$50K in Canada but are open to the Lord providing funds from the USA too. **Please pray God will provide the funds and just the right plane.** Any gifts toward the purchase of the plane can be designated to account # 1264 at BIMI.

Thank you so much for standing with us.
