

David and Angelia Harper Church Planters in Belize

July 2018

Dear Partners in Ministry,

Happening now: Even during Hurricane season we see new believers obey the command of Our Lord and Savior Jesus Christ to be baptized. Last week I had the privilege to Baptize five people. We are often forced to wait for just the right conditions because our Baptismal pool is the Caribbean Sea. As The Lord allows, we have a few more whom will be baptized within the month.

Recent events : I officiated over a beautiful wedding service last month. Because the Christian wedding ceremony is a picture of Christ and His Church, it is a great time to present The Gospel. In this case, the groom responded to an invitation to accept Jesus Christ's free gift of eternal life.

Please pray specifically with us as we seek wisdom regarding when, and exactly where, to plant the next church. Thanks for your prayers and support!!!
