

The Jackson Family Alan & Becky

May 2016

Hello Praying Partners and Co-laborers in the Ministry,

April started off with a great week of Pastor's Training. About 50 men joined us for this week of training. Faith Baptist Church in Tacoma Washington saw a huge need and decided to get involved.

God used this church in a special way and they were able to bring 80 pastoral boxes with them that included around 15 books. These Pastors have received many necessary tools to better their studies and outreach.

In addition to the Pastor's training, this church has sacrificially given to build a Bible Institute/Sunday school building. The grand opening of this building was the Pastor's Conference. We now have four new Sunday school classrooms, a huge all purpose room and a kitchen.

One of the Pastors that attended the training shared with many of his pastor friends about the training that was given and they asked if we could hold another one day meeting and go over some of the same material. Eighteen Pastors attended this one day meeting and what a blessing it was to share this time together.

Since it was just a one day event, we were only able to touch on two different subjects: Soul-winning and missions. Pastor Josue Andrade, taught on the importance of sharing Christ and gave a complete plan on how to effectively share Christ with someone. This one class alone could change Honduras forever!!

I had the privilege to teach on Missions. I asked how many pastors support a missionary out of their church and not one pastor was able to raise his hand. We pray that God will touch the hearts of these men to implement Missions in their local church.

The local church that was started in Los Robles one year ago held a special service on Sunday to promote the building of their new church. God has given the necessary funds to start building a church for this congregation. It is a new work with new Christians but with great potential. There were more than 45 people that attended the service and one lady accepted Christ as her personal Savior.

We pray that God continues to bless you as you faithfully serve Him!!!
