Deputation Update

So many things to share in this prayer letter, yet such little space to share it! These past few months have been a whirlwind for us! From Georgia to Canada and many places in between, our travels have given us both tiredness and blessings. We rejoice in reporting that our current level of support is now at 75%! We praise the Lord for his goodness in allowing us to partner with several new supporting churches! Also, during the past month, we were able finish our last training week at BIM I in preparation for the field. It was a time of deepening our roots in the Word of God as well as a time to encourage and strengthen our friendships with fellow missionaries and directors at BIM I. On a different note, this past month we were able to drive a Uhaul trailer from Georgia to Canada with our final home and personal items to be shipped out from Halifax, NS before we leave for Gambia next year. God worked in an amazing way to not only give us safety for the long drive but also to allow us not to have to pay duty taxes on the items crossing the border! However small the blessing, we still rejoice in God's grace and mercy for every situation!

Praise & Prayer

We praise the Lord for answering our prayers concerning the sale of our home in Canada! Just a few weeks ago we were able to close on the sale of our home in Nova Scotia. We have learned so much this past year about trusting the Lord's timing and we are thankful for how He has stretched us and grown our faith. Now, we would ask each of you to pray with us for the sale of our *travel trailer/camper*. For the past year this has been our "home on wheels", however the time has come to sell it and prepare for moving to Gambia. If you or someone you know might be interested in purchasing the camper please email us and I will communicate more details to you. Thank you for your continued faithful support and prayers.
