

THE FLOWERS

Missionaries to Taiwan

I am the light of the world: he that followeth me shall not walk in darkness,
but shall have the light of life.- John 8:12

December 2018

Dear Praying Friends,

We hope you had a wonderful time this Thanksgiving. We will be praying that God blesses you with a great Christmas season.

Many of you may remember that in October of 2017 our church had its first mission-emphasis month. After that month, our folks decided to support a single Taiwanese missionary who ministers to the children and ladies of Taiwan and many places in China. Part of what God is leading her to do is teach workshops for churches. This October, we had Emily come back for a workshop. She taught our ladies about lesson preparation and the importance of teaching our children the Bible. She also helped our ladies with how to share the gospel with children.

Our ladies really enjoyed the workshop. Please pray with us for our folks. We would love to see fruit that would abound because of this day.

On November 25 our church had its organizational service. We thank the Lord for all the folks that felt led to be the founding members of the Hope Baptist Church of Xinzhuang. Please continue to pray for our church, and please be encouraged with us about this. If we didn't have folks praying and good churches holding the ropes for us, none of this would have been possible. We thank God first for His leading us to this place and to these people. We also want to thank you for praying for and supporting us over these last nine, almost ten, years on the field. This is fruit to your account. Praise the Lord!

We also want to ask you to please pray for a new vehicle for our family. With the addition of Gracyn to our family and the boys growing by leaps and bounds, we are desperately in need of a mini-van. A nice 4-6 year old mini-van in Taiwan can be very pricy. We have been saving but have yet to find one in our price range. Please pray for us as we look for a van that our family could use for God's glory in the years to come.

We want to thank all who have sent birthday cards and gifts this year to our family. We are very grateful for your kindness. Thank you also for those that have given Christmas gifts. We really appreciate your love and sacrifice.

We hope you have a very Merry Christmas and Happy New Year.

For Him,

Jon & April Flowers
