February & March 2019 Prayer Letter...

Ministry News

February and March were tremendous months as we began the new year. We continue progressing in language as each month brings new grammar and new words. I was able to preach a five minute message in February and while several mistakes were made it was another step toward language acquisition and sharing the Gospel in a more clear manner. Bible study with Sunil continues to be a blessing for both of us. I find it a little easier with each passing week to read and explain the text. Grace Baptist Church in West Patel Nagar held a Friends and Family Day in February. It was wonderful to see new faces and some returning visitors. Pastor Dass and Abhishek preached the Word and the Gospel was clearly given. We rejoiced as seed was sown in the hearts of many unbelievers. We are praying for souls to be saved and lives to be changed from these efforts.

Anand is an Uber Driver I met one day after Bible Study. I noticed he had a small New Testament Bible in his car. When I asked him about it he began to share with me his many problems. He had a large business that failed in 2017 which resulted in the loss of a few million dollars. He expressed how all his friends had left the moment his money left. I explained to him that I have a friend that never fails me. I told him about Christ's faithfulness and shared with him the Gospel. He told me he knew of Jesus and followed him but wasn't sure if Christ was the only way of salvation; however, he was open to hearing more. I invited him to church and Bible study and am praying God will save this man and his family!

Family News

Celeste's Parents had the opportunity to visit us at the end of February. It was a sweet reunion and encouraging as they enjoyed spending time with us and getting to see the place God has called us to labor. They were able to attend a Baptism service at the Roberts first church plant and were moved to see young Indian men publicly and unashamedly proclaiming Christ as Savior. We are grateful for the opportunity to witness this growth and privileged to learn from these churches as they advance the Gospel in India.

We appreciate all those who prayed about our visa renewal as we completed this process a few days ago. Thank you again for your steadfastness and encouragement on this journey of faith. Keep holding the ropes!
