MISSIONARIES TO INDIA

August & September 2018 Prayer Letter... 10-5-2018

Ministry News

August and September were extremely busy months for our family and ministry. In August Celeste began homeschool with Lilli Bell, I finished my first month of language school, and we began making arrangements for our first visa renewal trip to Thailand. With the close of September, I finished my second month of language school and we completed our first visa renewal. Learning a new language is both extremely challenging and never dull. A trip to the store can lead through a range of emotions from excitement to embarrassment. I'm reminded of the feeling of success that came the first time I asked a store owner for bread then the laughter that followed when I made a second request for one carton of chicken eyes. These are fun and unforgettable moments that take us another step closer to sharing the Gospel to the Indian people in the Hindi language. We appreciate the Roberts family for giving us the opportunity to learn and work along side an Indian pastor of their second church plant. It is truly amazing to see both young and old coming to Sunday services hungry for preaching and worship. I've watched every Wednesday and Friday for a month as ten to twenty young children and teenagers come to Grace Baptist Church in Patel Nagar to learn a little english and hear the Word of God faithfully taught. It's a constant reminder that God is able to cast down Satan's strong holds and establish a family of believers that will proclaim, preach, and practice truth in the face of the Adversary.

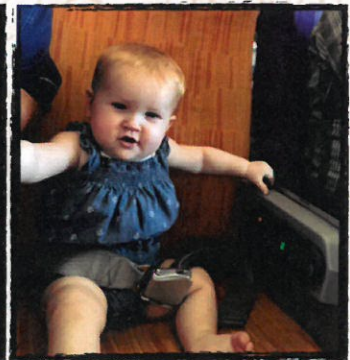

India

"It is good that a man should both hope and quietly wait for the salvation of the Lord." ~Lamentation 3:26 As we've settled into our new home in India it didn't take Lilli Bell long to make friends with a few of our neighbors, Anaiah and Rhythm. This opened the door for us to build some relationships with their parents as well as allowing opportunities to share the Gospel. These families are very

educated and dedicated Hinidus. As they have shared their beliefs with us we've been able to give them the Gospel. Hinduism is an absolute part of their daily lives and reminds us how Satan has blinded these people. We truly believe many Indians have been waiting quietly for the hope and Salvation of the Lord and we've been tasked with bringing them the Gospel Truth! Please join us in prayer that God will break down Satan's strongholds and bring many Indians to Himself.

Family News

The girls are doing great and Celeste is excited to have the first month of school finished with Lilli Bell. Celeste looks to begin Hindi studies in October, Larissa is learning her ABC's and counting while Lyla has just learned to crawl. Needless to say there is never a dull moment in our home. We appreciate the faithful prayers and encouragement extended to us every month from friends, family, and supporting churches. I have no doubt God is going to give fruits from our labor!
