Church Planting in **WYOMING** ROCK SPRINGS,

...in the midst of a crooked and perverse nation, among whom ye shine as lights in the world - Philippians 2:15b

Philippians 2:2 "Fulfil ye my joy, that ye be likeminded, having the same love, being of one accord of one mind."

November/December

Dear Praying friends,

If there is one thing we have found ourselves especially grateful for during this time of year, it is the overwhelming amount of "likeminded" friends we have had the privilege of partnering with since God has placed us on this deputation journey. In fact, the Lord blessed us with countless new likeminded friends these past two months (November and December) while enjoying the opportunity to share our burden with God's people in churches in West Virginia, Oklahoma, and Texas. We are blessed beyond measure to call you our friend and excited to share with you that God has boosted our monthly support level to 50%!!! We'd like to thank you for those praying for us to reach this milestone and for those who have partnered with us.

Another thing we find ourselves grateful for is family. God gave us the opportunity to spend some much-needed time with our family during this holiday season. As most of you know, we have been travelling full time for the past 18 months and my family and I were READY to stop, breathe, and enjoy Thanksgiving and Christmas with aunts, uncles, cousins, and grandparents.

It is a great privilege to share the wonderful gospel of our precious Saviour as we visit the different places and churches. Please pray for a lady we met named Amy while out sharing the gospel. She mentioned that she and her family attended a "church", but was frustrated it was "too much about business and all about the show". I find it very interesting that even though these main stream "churches" are heavily attended, many are still very much EMPTY due to the entertainment culture. WE NEED more churches in this country that will teach and preach biblical truths and focus on building and serving people for the cause of Christ.

Now we find ourselves at the beginning of a brand-new year. A year that has been marked on our calendar for the duration of our deputation journey. The reason.... we are planning to move this year and begin the next phase of our ministry. Currently we have meetings scheduled till the end of this coming summer and we will be finalizing plans to make our move by this fall!!! We certainly covet your prayers as we take these steps in following God's call on our lives.
