ASSISTING CHURCHES IN AMERICA TO PLANT CHURCHES IN AMERICA

September / October / 2014

Dear Praying Supporters,

Greetings from Maineville, Ohio, and the Maineville Baptist Church. We are at the end of a Mission Conference for Reseeding America church planter Mark Sage. (Mark, his wife Stephanie and family moved to Maineville in 2010 to restart this church that was over 188 years old!) Praise the Lord for a young man saved after I preached the closing service, and also Jennifer was excited to lead a young Chinese boy to the Lord on Sunday morning. We enjoyed this conference, the other missionaries and the church. Please pray for the Sages as they lead this work.

Indigenous Church Award Presented to Pastor and Church

On Sunday, August 31, it was a joy to be with Pastor Scott Cornoyer, his wife Jennifer, their family, and their church in Elkridge, Maryland. The Cornoyers are former Reseeding America church planters. In 2007, they planted High Point Independent Baptist Church and have just recently led this church to become fully self-supporting! It was an honor to present the pastor, his wife, and the church the "Reseeding America Indigenous Church Award." Brother Cornoyer has now notified all of his supporting churches that he no longer needs mission support. Those supporting churches in turn can now reinvest in another USA church plant! Praise the Lord!

September Project – Assisted in New Church Plant in Connecticut

During the month of September we assisted Reseeding America church planters John and Abby Lafreniere in the start-up of Fairfield Baptist Church in Fairfield, Connecticut. Fairfield is about 50 miles north of New York City. We covered a good number of doors in Fairfield and next door in Bridgeport

as we passed out packets for the church. A number of churches also came in prior to the start of the church to assist in the distribution of 30,000 invitation packets. A direct mail campaign was also completed after many hours of preparation. The opening services were held on Sunday, September 28 with a total of 58 people in the morning service and 32 in the evening service. There were 40 local people from the community attending throughout the day with five professions of faith. During the month we were also able to preach on missions and church planting in a number of churches in the state of Connecticut.

October Project – New Church Plant in Annapolis, Maryland

In between preaching fall mission conferences, we are working in Annapolis, Maryland, assisting the Ed Beard family, who are Reseeding America church planters. Freestate Baptist Church opens the first Sunday of November. Please pray for this new church plant.

Thank you for your faithful support and prayers of this ministry!
