 February 28, 2016

Dear Praying Supporters,

At the start of this new year Jennifer and I have "retooled," so to speak. We have ordered a new display for our ministry, new letterhead, new brochures, new prayer cards, and business cards. We felt this was necessary as our picture and information needed to be updated. **Please note our new mailing address is P.O. Box 9, Harrison, TN 37341.**

While we were getting all of this new material designed and printed for the year ahead, we used the opportunity to be in a few of our supporting churches and several new churches in Tennessee, Alabama, and Georgia. It was encouraging to see how God is using all of these churches and pastors to reach the lost and disciple and train another generation of Christians.

Our first Reseeding America project for 2016 has already been completed and we are getting ready for project number two. Early in February we traveled to Victory Baptist Church in Vidalia, Georgia. This is where Reseeding America church planters Ken and June Love are working to restart Victory Baptist. We designed and printed a direct mail piece for the restart of the church and helped the

congregation prepare and mail the EDDM (every door direct mail) piece. In the picture at the left we are stopping to pray over the materials that were being prepared to be mailed out. Some door to door distribution was also done during our stay. Pastor Love had me preach on Faith Promise Missions while we were at Victory. Jennifer helped in the Junior church and was thrilled to be able to lead a girl to the Lord at the close of the service. Pray that as the materials are received at the doors and in the mail that the end result will be people saved and families brought into this good church at Vidalia.

Our next Reseeding America project will take place in Northwest Arkansas in early March. Twenty years ago God led my family and I to start Washington County Baptist Church in Lincoln, Arkansas, west of Fayetteville. God was good to us in the start of that new church. We saw people saved, baptized and a church established. Land was purchased and a building was built before the Lord moved us on. Our good friend David Isaacs has recently been called as the pastor. We will be assisting Pastor Isaacs, his wife Debbie, and the church in what we call a "Jump Start" distribution. Printed materials have been ordered along with John and Romans books. The church is busy getting ready to assemble all the materials in door hanger bags. We are grateful that sister churches in Arkansas and Oklahoma will assist in the distribution. Again, please pray that the materials will be used of God to see people saved and families united through this ministry in Lincoln.

- Please pray for our future RSA Projects this spring at Milan, Georgia and Hiawassee Georgia.
- Pray for our 10 Reseeding America church planters now on deputation.
- Pray for our Reseeding America church planting survey trip to the Southwest United States coming up July 12 – July 23. Ask God to give us a good number of men to make this trip. We still have room for more.
- Pray for the church planting courses I will be teaching at the end of March at Pensacola Christian College in Pensacola, Florida.

May God bless all of you,

Bob and Jennifer Larson
