ASSISTING CHURCHES IN AMERICA TO PLANT CHURCHES IN AMERICA

February 7, 2019

Dear Praying Supporters,

We again want to thank you for your faithful support and prayers. Thank you for partnering with our ministry and being a blessing to us over the years. Our prayer is that God would bless you as you serve Him in 2019.

Bob had surgery the day after Christmas. Even though the operation went well, the recovery time was a little more than anticipated. We were able, though, to have a few nearby Reseeding America meetings during late January and early February. Starting this weekend we will start a full spring travel schedule with the first stop being Open Door Baptist Church in Philadelphia. Bob will preach during their 2019 "Heart Sunday." It was our privilege to be with this new church last October when they opened their doors in Mayfair, on the northeast side of Philadelphia. It will be exciting to see how the church has been doing and be with Pastor Joe Delp and his people.

Church Restart Coming up in Bacliff, Texas

The following week Bob will fly to Houston to hold several Reseeding America meetings with supporting churches and then it is on to Bacliff, Texas, for a church reset or what we call a church restart. Faith Baptist Church in Bacliff was one of the churches on the Gulf Coast hit hard by Hurricane Harvey back in 2017. Pastor Kevin Snyder has been working hard to restore the church and house on their property. The renovation is almost complete, but now the congregation needs to be rebuilt. We will be conducting and funding a 10,000-piece direct

mail outreach while in Bacliff. Please pray that the mail-out and the efforts going into restarting the church will result in people being saved and eventually brought into the membership of Faith Baptist. This coastal area of Texas is a pretty place as you can see from the picture of the sunset, but there are many people living there who need to be reached for the Lord. We will update you on the restart efforts at Faith Baptist in our next prayer letter.

WE ARE PRAYING FOR 30 FAMILIES TO SURRENDER TO GO TO THE METRO MISSION FIELD IN AMERICA

Presently in the United States we have a population of over 328 million people. We are growing at a rate of 2.8 million people per year. There are now 381 metropolitan cities across America. These large, sprawling urban areas are home to 82% of our nation's population. This means the majority of America's unchurched and unreached now live in our large cities.

To effectively reach the metro multitudes, it will take thousands of new church planters with a vision to reach the untapped metropolitan mission fields here in the United States. It will also take a major investment by churches in our movement to assist men who are willing to start and pastor churches in metro America. Can we count on you to pray for 30 families to join our ministry? Thank you for praying for this need and for families to go to the metro areas of America to plant churches.

Your partners in the Harvest,

Bob and Jennifer Larson
