Beacon Baptist Church

JULY - SEPTEMBER 2018

Greetings in the Name of our wonderful Saviour! This is the day which the Lord hath made; we will rejoice and be glad in it. No matter if the skies are clear and blue or gray and stormy we can rejoice because we know the One who has given us this day. God is good all the time.

This summer has been a whirlwind! Beacon Baptist Church has had the privilege of hosting several preachers who were passing through at various times and for various reasons over the last couple of months. What a blessing it was to have Brother Mark Gray, Brother Greg Waggoner, and Dr. Lonnie Moore! Our people enjoyed fellowshiping with each of them and getting to know them better. We were also blessed by the preaching of Bro. Gary Tunnell. He is a Heartland Baptist Bible College student who was interning at Skyline Baptist Church in Seattle with Pastor Kyle McMillan this summer.

Evangelist Rodney Woodcock preached a convicting yet inspiring message from Daniel chapter one at Jonathan's graduation ceremony in August. We had fifty in attendance for this special occasion. This was a blessing to our family and truly an encouragement to Jonathan.

Prayer Request

Please pray for one of our newest church members, Valerie. This sweet lady moved to Gig Harbor a couple of months ago with her husband, Ron, to retire. Ron found out in June that he had stage 4 brain cancer. He entered into hospice care just a few weeks after moving into their new home. Bro. Ron passed away last week. His funeral will be this Friday. Please pray for Valerie as she enters this new phase of life. A friend reminded her, "You are not alone, you are just living on your own." This is so true for the Christian. We are never alone; we have the promise that Jesus will never leave us or forsake us.

Answered Prayers

Thank you so much for praying for Justus and his recent cardiology appointment. Dr. Bellotti informed us that there has not been any significant change in the heart since his last appointment. He did warn us, however, that Justus is reaching the age that complications sometimes arise. We were told what symptoms we should watch for. As long as everything goes ok, we do not have to return for another review until next August. Praise the Lord! We are so thankful for each of you who partner with us. May God bless you as you serve Him!

In His Service,

Terry L. Lawson
