**Dear Praying friends and Church Family,**

"If God's love is for anybody anywhere, therefore it is for everybody everywhere." — Edward Lawlor

It's been typical for many countries around the world for tourism as one of their sources of income. My field is different; when they noticed you that you always visits their country, you are subject for monitoring and you will be in a "red tag list" in the immigration office. That's what happened to us last year! But by God's grace we were able to come back to the country and do the ministry and even approved for another extension. God still in the throne!

Continue to pray for our the approval of our foundation because until now still on process at foundation secretariat office and I believe that it would be passed through the immigration department in which we are under monitoring. Please pray for us! It's been more than three years of waiting for this, but we are willing to wait for God's right time.

After doing some renovation inside our church building in which we spent about 40,000 pesos. I talked with the owner of our building of the possible another two years of rental extension and praise God he granted our request. He might see that we are taking care of his building and properly and even did some improvement without charging him. The house rental will be expired on the last day of November 2018. Please include in your prayer that we can be able to pay the total amount of 240,000.00 pesos, because in Sri Lanka you have to give the two years rental in advance.

One of the blessings in the ministry is not only when the numbers and facilities grow but when a believer grows in knowledge and principles of God's word. Before the baptism of Bro. Sharon Thayalaseelan last May of this year, he has a girl friend that is a member of a Charismatic Church. They have been in relationship for about two years. They had already a plan to get married this coming year 2019. When he knew that his girl friend won't come to our church after the wedding, Bro. Sharon broke their relationship and asked God to give him a good submissive wife in the future, Amen!

Another blessings that I have to thank the Lord that these handful of believers in our church who were remained faithful are blessed by God financially and materially. Some of them constructed a new house, start a new business, buy a new vehicle, etc. God showed to them His presence through answered prayers. What a joy as a missionary seeing his people blessed by God because of their faithfulness.

Thank you my dear supporters for backing us up in your prayers and financial support. God bless you more!

Together in His vineyard,

"Let my heart be broken with the things that break God's heart" — Bob Pierce
