**JANUARY OF 2014**

Beloved Prayer Warriors:

The expectations and challenges of a new year certainly urge us to diligently pray that the Lord will send us a much needed refreshing Revival. The salvation of precious souls all around the World demands it. “Revive us, o Lord!”

We are truly grateful for all that the Lord has done and still plans to do for us and through our lives here in Brazil. What a privilege it has been for our family to dedicate our lives to the fulfillment of His Great Commission. The evangelization and the edification of souls continue to be our very motivation for serving the Lord until the very moment He comes back again.

We ask you to Praise the Lord for a number of souls that have recently trusted in Jesus as their Lord and Savior. A couple Sundays ago after I had just preached on “Washed in the Blood of Jesus” and was pleading for souls to come to Jesus, **Mr. Luiz**, an elderly man we have been witnessing to since January of 1982, stood up and cried aloud, “Pastor, I want to be washed in the blood of Jesus!”

For a moment he thought we had not heard him so again he cried out loudly, “I said that I want to be washed in the blood of Jesus!” Please, pray for him and his bedridden wife, **Dona Cida**, whom we led to the Lord some 3 years ago. Also pray for two couples which recently came to know Jesus as Savior, **Jose Rodrigo and Vanessa** and **Jean** with his wife **Vanessa**. As we begin ministering discipleship lessons to them and the others in the program we truly desire to see them growing in the Lord. Eventually, we cannot but sing, “*To God be the glory*”.

Please, pray also for the Church we started at **Bonfim Paulista** city a couple years ago. Captain Andre, our assistant pastor, has done a wonderful job and the response to the Gospel there has been truly amazing with a number of souls already saved. **Alexandre, Fernanda, Ana, Davi, Maria Eduarda, Mateus** and **Nicolas** are now attending our discipleship classes while many visitors continue to come for our services at the school. Pray that the Lord will provide the means for us to buy a property and build on it since “talks” have already begun on this predominantly Roman Catholic city to keep us from using the school facilities in town.

Please accept our heartfelt gratitude for considering and caring for our burdens, needs, and requests. May the Lord bless you for your faithful prayers and financial support.
