Dear Brethren,

Praise the Lord, were are back in Argentina! It's starting to get hot here as we are entering into the hot season of the year.

We had our anniversary service at the church the first Sunday we were back with a large attendance in the service.

The following Sunday we had a memorial service for my wife, Ruth. The attendance was great with many people coming from our neighborhood to pay tribute to her life. We praise the Lord for the great testimony and wonderful influence she had for the Lord here in Tucuman. We then went to a Bible conference in Cordoba and preached and tried to be a blessing in those meetings.

The new work in Monteros is growing, recently we had 52 in attendance, the people are really excited about the church.

The 4th of November my son, David, started a church in Cordoba, Argentina. We praise the Lord we had the blessing to go soul-winning for three days and help out with the work. He had 26 people and 3 saved the first Sunday. He preached a great message on 1 Peter 1.

We are in preparation to begin our Bible conference next week. Please pray for God to work in a great way with a good attendance, souls saved, and believers encouraged.

Pray for us as we are still struggling without my wife. Many times, the kids and I are crying, but we continue for the Lord. Thanks for your prayers and support.

God bless you,

Larry Owens
