MISSION UPDATE AND PRAYER LETTER

Dr. Rodney Kelley
West Jacksonville Baptist Church
Jacksonville FL 32205 USA

July-Sept. 2018

Dear Pastor Kelley and praying brethren,

Greetings in the precious name of our Lord and Saviour Jesus Christ!

We praised and thanked God for preserving our lives as we go through some physical trials. On the month of August I and my wife were both sick of severe coughing and other body pains. We are grateful for those who prayed for us.

But, after those trials, the Lord rewarded us with great joy, seeing some of our young adult students who are consistently attending our Friday Bible Study; profess to receive the Lord Jesus Christ as their personal Saviour. The children who are regular in attending our Friday school are also growing in their faith and knowledge in Christ. They are also learning to be more helpful and responsible.

As the ministry is growing, challenges are also getting tough. We are so congested in our small room that we desperately need a larger one. But it is challenging to find a house whose owner will allow us to conduct our ministry. House rentals are increasing by 40-50% due to the high demand of hundreds of NGO workers working in the Rohingya refugees. Trusting for God's grace in all these concerns.

Thank you once again for your unceasing prayers and for being our rope holders. May the Lord our God abundantly bless you and use you more for His glory and honour.

In Christ's service,

German and Annie Ponce
