MISSION UPDATE AND PRAYER LETTER

Oct. - Dec. 2018

Dear Pastor Kelley and praying brethren,

A Spirit-filled and a prosperous 2019 to you all in the precious name of our Lord and Saviour Jesus Christ!

The past three months was a great challenge in our ministry and we have seen how the Lord poured out His grace on us. We started the 5th batch in our English class last July, at first we were reluctant to admit kindergarten students, but after 4 months of attending, we are grateful that from no letter recognition to being able to read.

Hence, God impressed in our hearts & reminded what Jesus said in Matthew 19:14 **“Suffer little children, and forbid them not, to come unto me: for of such is the kingdom of heaven.”** We learned & witness that they are more attentive than the teens in hearing the Word of God. Some even escorted by their mothers & had a chance to hear the message as well.

We are thankful to God for His provision that we were able to share the love of God by giving out some winter blankets to our consistent attendees of good news and English class during our December Thanksgiving program.

This 1st week of January, we conducted the closing program for the 5th batch with 38 consistent students. among which most of them professed they have accepted Christ as their Saviour during our Friday school activities. We praise God for his provision of some winter jackets/ clothes & food stuff to each of them.

The work is still great; we are yet sowing the seed of the Gospel and nurturing them that they may grow in their faith in Christ. Thank you for consistently holding the rope of prayers & support for God’s ministry here. God bless you more for His glory!

In Christ’s service,

German and Annie Ponce
