MISSION UPDATE
AND PRAYER LETTER

June 2017

Dear Pastor Kelley and church,

Greetings in Christ most precious and powerful name! Unto Him be all the honour and glory for all things that He hath done through us in the ministry.

The first batch of our English Literacy Program has ended on the last week of April. For three months, all the students have heard the gospel of salvation. Some profess to accept Christ as their personal Saviour, but some were undecided. Still, we thank God for enabling us to do our part in sowing the seed of the gospel in their hearts. We praise God for those who continue to attend our weekly services and slowly growing spiritually.

The second batch of our English Literacy Program was started on the second week of May and we are thankful to God for giving us another set of students who were mostly Hindu and Buddhist. Some of them have responded already to our invitation to attend our worship and prayer meeting services.

We are so thankful to God for you and for your faithfulness in your commitment in partnering with us to reach the world for Christ. Please continue to uphold us in your prayers that the Lord may continue to use us in spreading the gospel in this most spiritually needy people of Bangladesh.

May the Lord our God continually bless you richly and use you more for His honour and glory.

In Christ's service,

German and Annie
