MISSIONARIES TO UGANDA

Dear Pastor and Praying Friends,

13 July 2017

John 4:35 "Say not ye, There are yet four months, and then cometh harvest? behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest."

John 4:35 is one of my favorite verses in the Bible. It reminds me that I should always be ready for the "harvest" and be on the look out for witnessing opportunities. I always enjoy being able to share the Gospel with people, but I most enjoy being able to go out door to door! This year one of my prayers is that I would be able to have more witnessing opportunities. I realized that if I were to pray and ask the Lord he would have people ready in my path to witness too. The Lord has answered that prayer over and over again.

The beginning of May we traveled from Washington state and Canada back to Missouri for doctors appointments. We thank the Lord that so far the pregnancy has gone smooth with no complications or issues. We were able to travel to St. Louis Missouri, Ohio, and Pennsylvania for meetings. It was a blessing to spend some down time between meetings with my cousin Chad Braley who pastors in the Philadelphia area. Praise the Lord for a thriving church and ministry that is preaching the Gospel and seeing people saved!

In June, we had a meeting in eastern Pennsylvania on our way back home. During the last doctors appointment Jen's doctor was having a little trouble with the baby staying still to hear the heart beat, so she went to get a portable ultrasound machine. When she found the baby, the question was asked if we knew if it was a girl or a boy? We told the doctor that we had a 3D ultrasound during our last trip out to Washington and that we were told the gender but it was not by an actual doctor. She confirmed that we are going to be having another little boy!

The Lord has blessed us greatly this month, we were able to drive up to Wisconsin and be in a missions conference and see some college friends. Sunday night after the missions conference ended, we started back home. We arrived back home Monday night in time to start Vacation Bible School. I had the opportunity to preach to the teens. Each night we packed out the room and the last night we had forty people including five workers. The Lord blessed and we were able to see two teens saved during the week!

Thank you for your faithfulness as you pray and give financially so that our family can share the Gospel with people on the deputation trail!

So that others may know Him,

Seth & Jen Demarest
