Prayer Letter – April 2018

In my last letter I mentioned a planned trip to Colorado to be with church planter Matt Thompson. I was honored to be the guest speaker for Summit Life Baptist Church's 2nd anniversary. I remember well my meetings with Matt to plan and strategize prior to his move from Florida to Colorado. He and his precious wife, Evie, are doing a great job!

Also this month I was with two great young pastors, both in their early 30s. These preachers (Eric McConnel in Florida and Jonathan Watson in Virginia) are both serving as senior pastors for the first time. Eric, and his wife Rebecca, and Jonathan, and his wife, Michelle, are wonderful leaders and examples. I am so blessed to be able to encourage, mentor, and assist young pastors and their families!

Please pray for me as I head to Washington to be with Dr. Mike Kinney and church planter Lawrence Morris. I will be preaching the first missions conference for Lighthouse Baptist Church of which Bro. Morris serves as pastor.

In Him,
Charles T. Shoemaker
President
