Prayer Letter – November & December 2018

By the time you receive this letter Christmas will have passed and another new year has begun. My prayer is that your Christmas was both restful and enjoyable; and that your new year will be fruitful in every way possible!

One of this year's highlight was to speak (5 times) in Milford, Ohio as part of the church's Loving and Leading Conference. There were over 500 registered pastors and Christian workers in attendance. I was able to make some great contacts for our ministry and renew friendships with many ministry friends, including Dr. David Gibbs, Dr. Bill Duttry, and Dr. Charles Keen.

I was blessed in November to preach a Missions Conference for Pastor Chad Braley, a fantastic young pastor in Fairless Hills, Pennsylvania. While with Pastor Braley I was able to speak to a group of pastors on church growth, including three church planters.

In recent weeks I have also had good conversations with several church planters in North Dakota, Texas and Oregon. Please continue to lift up in prayer young pastors and church planters all across America!

Thank you for your gifts for our National Church Planting Month campaign. While we fell slightly below our goal, we are extremely grateful for those whom we will be able to assist due to your generous support!

In Him,
Charles T. Shoemaker
President
