CHURCH PLANTING AMERICA

Prayer Letter – October 2018

One of the great blessings of our ministry is the opportunity to influence young church planters and pastors! Investing in their future success is a responsibility I take seriously. Many of these men are planting or pastoring for the very first time, and they welcome counsel and accountability. Recently I was preaching in Austin, Texas with Pastor Dusty Brian and in Cocoa, Florida with Pastor Chad Perdue, both are excellent young pastors. Most of my time is spent with young preachers in their 20's, 30's, and 40's. I praise the Lord every day for the joy and privilege of doing so. During this year God has allowed me to provide counsel and mentoring to over 30 church planters and pastors. As you know, we are living in a very challenging time and we all need support, encouragement, prayer, and wisdom. Even more so for men who are young and lacking ministry experience. Thank you for your prayers and support which enable me to be a help to preachers all across America!

NATIONAL CHURCH PLANTING MONTH

As of this writing we are about half way to our goal of \$25,000. If you have given to this appeal, thank you! If you have not yet done so, please pray and participate. This year we have been able to assist with church planting needs in nine states. Every gift, regardless of size, is needed and deeply appreciated!

In Him,
Charles T. Shoemaker
