BIMI President/General Director

REPORT FOR JUNE AND JULY 2015

Dear Praying Friends,

Things have been very busy at the World Missions Center this summer. We praise the Lord for those He has brought our way.

The month of June started with our annual Trustee's meeting and Candidate School. We had 39 first year candidates and 42 second year candidates, giving us a total of 81. I am extremely thankful for those who are responding to God's call to worldwide missions. Please pray that these new BIMI missionaries would raise their support quickly and arrive on the field as soon as possible.

BOARD MEMBERS PRAYING WITH NEW CANDIDATES

CAMP BIMI STUDENTS—WEEK 1

We were blessed to have a total of 46 students during the two weeks of CAMP BIMI on June 20–July 4. This is always an enjoyable time spent with those who have a strong interest in missions. Some feel that God has called them to missions but are unsure as to where He would have them serve. Others are not sure what the Lord wants for their lives but they are exploring the possibility of missions as they search for His will.

The Lord also allowed me to be at the Europe/Military Field Conference held in Beatenberg, Switzerland, on July 14–17. I praise the Lord for the opportunity to preach to and fellowship with our missionaries who are faithfully serving the Lord in Europe and in Military Missions.

On July 20–24 we enjoyed taking part in BIMI's annual Enrichment Week. This is a week funded by churches and individuals for the purpose of encouraging missionaries. We are thankful for those who were able to be with us and for the privilege of ministering to them.

Once again, we want to express our sincere appreciation for your faithful support of our family and ministry. Thank you for the privilege of representing you in worldwide missions. May the LORD richly bless you!

In Christ,

David, Barb, Caleb & Kyle
