November 2015  
Prayer Letter #5

Greetings to our Prayer Warriors,

As our deputation ministry has taken us through FL, Ontario-Canada, SC, CT, VA, TX, NC, and TN since August, your faithful prayers that were communicated to us through emails and texts have been overwhelmingly fortifying and humbling! Thank you so very much for holding us up in your faithful prayers!

The past few months have taken us through some faith-stretching experiences and we have learned to not waste times of precious trials from the Lord. Setbacks ultimately provide a period of incubation where we can grow and set our roots deeper into the firm foundation of the “Author and Finisher of our faith”. Deputation has sure provided this much needed lesson and preparation for our future ministry in Korea. At the same token, God has opened doors where this deputation has truly become a ministry to the extent of God using our family to encourage dear pastors and church members across America.

As traveling sometimes gets stagnant, weary and discouragement too, sets in, we are quick to remind ourselves that the timing of our return to Korea is exactly when God takes us there and we are also exactly where God wants us to be. And according to His exact timing of keeping us on the road for the past 13 months, the Lord has now brought us to a humbling 70% of our needed support to head back to Korea! God’s timing is always perfect.

Brandon is now planning to take a 2 week survey trip to Korea at the end of November to prayerfully begin scouting for property and a building for our future church in the city of Paju, Korea. We are praying now for the Lord to provide the funds to make this trip happen. May we also ask that you join us in this prayer request for this trip, please.

We would also like to mention that the quickest way to get in contact with us is through our cell number: 803-607-2298 or emailing us at: [rsong2000@hotmail.com](mailto:rsong2000@hotmail.com).

In His harvest for Korea,

Brandon, Rose, Lauren, Lyndsy and Lilyanne Song
