*“Rekindling A New Flame To Cold Embers”*

Since our last Letter...

West Jacksonville Baptist Church,

Serenity gave a super testimony in which she shared the Gospel and her faith walk with the Lord to a full house at her Modern Day Princess Ceremony. Many who were amazed as to the scriptural depth and maturity were also surprised to learn that she wrote her speech without any pastoral oversight.

My mother came to visit us for two months. What a blessing!

We passed out over a thousand tracts at the city Festival celebrating Luther’s Wedding. It was so encouraging to see how our testimony has affected the other people who have booths at the Festival. One confided, that though he is not a believer (we are very hopeful of a change in that status) that he is so happy to see us faithfully representing Christ at the festival each year.

Skyler graduated from High School with an International Baccalaureate Diploma. We are so proud and excited to see what the Lord has planned for his future! We had a Graduation Sunday and celebration at Church where we challenged Skyler and another graduate to love the Lord with all their heart, mind and soul and to live a life of selflessness serving others. It is such a blessing to see the next generation take up the call to serve God and others instead of the world’s system of self-centeredness.

Our two refugee converts are growing in the Lord and in the knowledge of his word. We are now meeting twice a week for discipleship. It is so cool to have eager learners to disciple!!! We are now in the early stages of developing a gospel tract in Persian based upon their own personal salvation and growth experiences. This will be the first of many tools that we hope to add to their soul winning toolboxes. It would be so cool to see God use these two men to reach other refugees! Our goal is to translate the discipleship course we are utilizing into Persian. It is a bit cumbersome and time-consuming to teach German first, in order to be able to disciple.

Thanks so much for your support!
