*"Rekindling A New Flame To Cold Embers"*

Whirlwind

4/21/2017

West Jacksonville Baptist Church,

The last few months have been a whirlwind. Our car's transmission went bad, and twisted the right CV joint in two. Friends and Churches jumped to our rescue and covered the expenses. We are so grateful!

Sadie and I spent three weeks in America traveling to seven churches and meeting with several pastors, to regain some of our lost support. God blessed and we have two new supporting churches to fill some of the void left by dropped support.

Upon our arrival back in Germany, the planning of Luther's Wedding celebration was upon us. We passed out over a thousand tracts and other literature along with many great conversations about Christ and his salvation.

R..., our refugee convert is in the courts petitioning to stay in Germany as returning to his country of origin would be a death sentence. Becoming Christian is forbidden in Muslim countries, punishable by death.

Chelli and I celebrated 25 years of marriage. Amazing!!! How I am blessed!

My mother had a heart attack, but is recovering well, as of this letter.

This morning, I took Samantha and Serenity to the airport. They are visiting friends and family while looking at college opportunities stateside.

Skyler was home for a few weeks and his health is thankfully stable. It was great to have another man in the house.

Our car had another mishap as the rack-and-pinion lost hold on the right wheel, setting it at such an angle to destroy the new differential. Thankfully, God protected us in both situations, as the car was moving slowly when it happened. The transmission was under guarantee. The rack-and-pinion cost \$250.95 and whatever the mechanic charges.

Please pray for wisdom as we will be needing a new car future. My hope is that it will hold for another year or two.

Thanks so much for your support!  
Paul, Chelli and the Sudbrock Kids.

Received for May-July: Support: \$200 Designated:0 Special:0
