DAVAO BAPTIST BIBLE COLLEGE

March and April are the months of graduations in the Philippines. *Davao Baptist Bible College graduated six students this year*—four men and two ladies. One of the men is deaf. He has returned to his home church to work as a deaf pastor. Two of the students are serving in their churches in the music ministry, and two are pastoral theology majors. What a privilege it is to train these young people to serve the Lord! How rewarding to see them in the ministry and to watch them become productive Christians!

ANNUAL YOUTH CAMP

“Stand Ye in Holy Places” was the theme of our annual youth camp that was held in April. Camp was very different in many ways this year. It was held at the church property, due to no available campsite. Usually the ages for youth camp include those in their twenties, but the age limit was reduced to age nineteen. All around, it was the best camp we have had for several years. Seventy-six campers participated, coming from six different churches. There were many first-timers, which resulted in dozens of life-changing decisions. One young lady came to know the Lord as her Savior.

MT. APO BAPTIST MISSION

We have been taking a group of adults on designated Saturday afternoons to help in a newly started mission of one of our college graduates. The area is very ripe unto harvest, and many have come to know Christ through this endeavor. This mission is only a few months old, but over thirty people have been attending regularly. The group of young people shown here participated in the youth camp this past month. Pastor Bong Ambe is playing the guitar for them. Please pray that the Lord will continue to bless this church, Pastor Bong, his wife Donna and their two children.

ANCHOR RADIO

Please continue to pray for God’s provision in building a Christian Radio in our city. Close to \$4,300 has been given towards this project, thanks to our faithful church members and also to our supporting churches back home. We have a long way to go but are assured that God will provide in His timing.

Furlough Plans

Our plans for furloughing in 2019 are coming together. If you would like for us to visit your church, please feel free to contact me at ednbectrim@yahoo.com.
