“...These that have turned the world upside down...” Acts 17:6

Dear Faithful Supporters,

First, I would like to thank every church that has helped us, being understanding in our transition to Tabernacle Baptist Missions International. We are so grateful for you that continue to support us in this mission that is God's greatest desire “not willing that ANY should perish, but that all should come to repentance”

These last months have been trying months but also blessed months, even though we have lost some of our support because of our transition, God has been so faithful! Even though we are so undeserving.

The Lord has given us opportunity to minister and help build churches in the country of Brazil, but also, God has opened other doors in other countries, such as Mexico and India.

I just returned a few weeks ago from Mexico, where I had the privilege to be with missionary Lacey Wheeler which is doing a tremendous work there. I had the privilege to be in his church services on Sunday and see a strong church that is striving to get the Gospel out thru soul winning and distribution of literature. On Monday we went to a camp where we stayed for the rest of the week. The emphasis of this camp was “The Making of a Missionary” and the Lord blessed greatly, we all left with a greater vision for missions and I was honored to preach that week on what I love the most “Missions”. In the afternoons all the campers would go into the cities nearby and give out gospel tracts, during that week 8,300 tract were distributed, Praise the Lord! Our desire is to turn the world upside down with the Gospel of Jesus Christ. In the picture we were giving out tracts in the city of Guanajuato, Mexico.

We have two prayer requests:

1. I would ask you to pray for the two churches in Brazil that we are helping to construct their buildings. One of them is almost complete (which is in the first picture) and the second church has started having services in the building, even though it is far from being finished, to get away from paying rent. Please pray that God will supply the money for us to finish these buildings soon, also, pray for the missionaries that are laboring there.

2. We are planning to go to Brazil in October for 3-4 weeks. I would ask you to pray for this trip. We need approximately 2,500 dollars to go. We have several meetings lined up and we plan to be with the Brazilian missionaries that are working with us planting churches. Would you please pray and help us to GO?

If you are interested in helping us with any of these projects, please contact us or send your love offering straight to our mission board and specify to which of these needs it is for.

Again, thank you so much for your faithfulness in supporting us financially and in your prayers. I believe it is prayer that keeps a missionary serving our wonderful Lord.

In His Service Together,

Terrill and Adriana Rose
